## Recapitulation:

“The seed of Godhead sleeps in mortal hearts,  
The flower of Godhead grows on the world tree”

Savitri-446

“But soon the link of soul with form grew sure;  
Flooded was the dim cave with slow conscient light,  
The seed grew into a delicate marvelous bud,  
The bud disclosed a great and heavenly bloom.”

Savitri-355

“O fragrant are the lanes thy children walk  
And lovely is the memory of their feet  
Amid the wonder-flowers of Paradise:”

Savitri-686

**The Mother's Ideal Integral School** is destined to realise Her ultimate vision of breaking out the Godhead from the oblivious human vessel in Her own way and in Her own Time. Here students are the heart centre, the means, teachers are fields and occasions, the Law of Integral Education is the mould and circumscription, seeks to work out immediately in them some image and fragment of Omnipotence and Omniscience.
